CLERK ALBUQUERQUE

Hello, I'm writing in regards to my Federal Habeas Corpus. I was granted a 60 day extension Document 7 Filed 8/23/22, Time dead line to respond no later then 10/21/22.

I did file my response on why I should "NOT" be time barred in time, motion Filed 10/17/22.

Can you please help with any up date or status of this matter?, I know I was advised that if I did not meet deadline matter could be struck down without futher notice, however I have done as Honor instructed.

Also address change was given to Court and acknowledged.

Last but not leaset, is there any time limit Honorable Court has to respond?, and does Honor have authority to stike down without notice if I have done as requied and instructed?

RE: Lorenzo Salas

Case# 1:22-cv-00048-JB-LF

I hope your holidays are blessed. Respectfully,
